

Ontario Municipal 2026

Municipal Election Questionnaire Mayor

If elected mayor, I pledge to lead the council in fully representing the values of the residents I am elected to serve, and to use every power of my office to defend life, family, and freedom in our community.

Candidate name: _____

1. As mayor, will you oppose, and use your vote and agenda-setting role to block, any "bubble zone" or "safe access zone" bylaw that restricts peaceful prayer, sidewalk counselling, or pro-life expression on public property?

☐ Yes ☐ No ☐ I don't know / I don't want to answer

2. Will you oppose euthanasia (MAID) being provided in municipally owned long-term care homes, and champion quality palliative care for our seniors instead?

☐ Yes ☐ No ☐ I don't know / I don't want to answer

3. Will you refuse to approve, endorse, or fund sexualized events or drag programming aimed at children in municipal facilities or libraries?

☐ Yes ☐ No ☐ I don't know / I don't want to answer

4. Will you direct municipal staff to keep female-only change rooms, washrooms, and sports programs in municipal facilities for biological females?

☐ Yes ☐ No ☐ I don't know / I don't want to answer

5. Will you defend residents' right to peacefully assemble, protest, and speak on public property without restrictions based on their viewpoint, including at council meetings?

☐ Yes ☐ No ☐ I don't know / I don't want to answer

6. Will you ensure churches and faith-based groups get the same access to municipal facilities, permits, and grants as secular groups?

☐ Yes ☐ No ☐ I don't know / I don't want to answer

7. Will you refuse to use a municipal emergency declaration or any mayoral power to impose medical mandates, and oppose any policy that penalizes residents or city employees for declining a medical intervention, including vaccines?

☐ Yes ☐ No ☐ I don't know / I don't want to answer

8. Will you refuse to issue mayoral proclamations for political or ideological causes, and support a neutral flag policy that limits municipal flagpoles to official national, provincial, and municipal flags?

☐ Yes ☐ No ☐ I don't know / I don't want to answer

9. Will you use your budget and agenda-setting powers to oppose large-scale AI surveillance infrastructure in our community, including facial recognition cameras, automated licence plate readers, "smart city" sensor networks, and digital ID requirements that collect residents' data and threaten their privacy and freedom of movement?

☐ Yes ☐ No ☐ I don't know / I don't want to answer

10. Will you oppose "15-minute city" schemes, including traffic filters, zone-based driving restrictions, and planning rules that limit residents' freedom to travel, and refuse to commit our municipality to international agendas such as the UN 2030 Agenda or "climate emergency" measures that restrict mobility, property rights, or cost of living?

☐ Yes ☐ No ☐ I don't know / I don't want to answer
